

Internationalization prize - template

Is given to a company that has taken good care of the international student and has managed to fully integrate the intern in the company.

Your nomination must be 1-2 pages and need to contain the following information.

Besides this information, you need to make a short film (30 sec.) – nothing fancy. Record yourself, the company, your mentor or something of value to you in relation to your internship host. The video will be shown during the award show, if your internship host is one of the final nominees 😊
